That's what we do We fight You tell me when I'm being an arrogant son of a bitch and I tell you when you're being a pain in the ass Which you are 99% of the time. I'm not afraid to hurt your feelings you have like a two second rebound rate and you're back doing the next pain in the ass thing. So it's not gonna be easy it's gonna be really hard. And we're gonna have to work at this everyday but I wanna do that because I want you. I want all of you forever. You and me. Everyday.
